

2019 SEASON

GLOBAL QUALIFIER TRACK

## Required

9 standard MultiGP gates, 1 standard MultiGP start/finish timing gate, 5 Flags.

## Instructions

- The lines are for measuring purposes only.
- Obstacles must be traversed in numerical sequence. Obstacles may only be entered in the sequence and direction specified.
- Flags create a line that extends infinitely into space.
- Towers must be tied down (4 lines - 5' x 5' away from both sides)
